• **Thursday 16 June 4.00pm–5.30pm** (Australian Western Standard Time)

Taskforce on Nature-related Financial Disclosures (TNFD)

TNFD's mission is to develop and deliver a risk management and disclosure framework for organisations to report and act on evolving nature-related risks, with the ultimate aim of supporting a shift in global financial flows away from nature-negative outcomes and toward nature-positive outcomes.

As a member of the [Taskforce on Nature-related Financial Disclosures \(TNFD\)](#), presenter Elizabeth O'Leary will talk to the recent release of the first beta version of the TNFD framework, an important first step by the market to tackle the risk of nature loss to the global economy and reduce their impacts on nature.

Speaker

ELIZABETH O'LEARY

Member, Taskforce on Nature-related Financial Disclosures

Senior Managing Director, Head of Macquarie Asset Management – Agriculture & Natural Assets

As a member of the Taskforce on Nature-related Financial Disclosures (TNFD), Elizabeth O'Leary is committed to developing the natural assets sector into a mature and attractive asset class with growing institutional investment. Elizabeth is a Senior Managing Director in Macquarie Asset Management Real Assets and leads its platform encompassing large-scale, specialised funds and related investment vehicles.
